

Health Insurance Shop is remunerated by a professional fee for the initial work activity and time spent in seeking the best terms, advice, product and product producer for your specific needs.

A scale of our fees is undernoted (the percentages shown represent percentages of premiums). We are usually remunerated by commission received from the product producers for the work involved in placing an order and finalising the product with them on your behalf and this is not connected with any professional fee which we charge you. (Some product producers do not pay a commissions).

Health Insurance Market Review	<p>Individual – telephone consultation €50 & family €75 Face to face consultation €95</p> <p>Corporate (Employer schemes) – less than 20 employees €300 for review Over 20 employees €500 for review.</p>
---------------------------------------	---

Health Insurance Shop is remunerated by commission from insurers on the completion of business and at renewal. Commission paid by Laya / Irish Life Health / VHI to Cornmarket from 0% to 6% of the annual premium. (This excludes the Government Levy, go to www.hia.ie for details).

Risk	Company	Commission
Health Insurance	Irish Life Health	6%
Health Insurance	VHI	0%
Health Insurance	Laya	0%

Commission payable does not impact the premium paid by the consumer as the premium paid by customers who arrange their insurance policy through Health Insurance Shop is identical to the premium charged if they were to set up this policy through the Insurance Company.
